

X-Press It *metal leaf candle holder*

STEP BY STEP

WHAT YOU'LL NEED

- X-Press It Gold Size
- X-Press It Metal Leaf
- Candle Holder
- Paint Brushes

INSTRUCTIONS

Step 1: Using a clean paint brush, apply a thin layer of X-Press It Gold Size on the areas you want to cover with the Metal Leaf. Allow the Gold Size to dry for 15 minutes or until it becomes tacky.

Step 2: Delicately place X-Press It Metal Leaf Flakes onto the area where you have applied the Gold Size. (You can use tweezers or your fingers to do this).

Step 3: Once fully covered with Metal Leaf, use a clean, soft brush to dust off the excess leaf very delicately. Fill in any gaps you may have missed using the first three steps. Place your candle in your candle holder.

Step 4: Your project is completed and ready!
