INSTRUCTIONS

Step 1: Paint your eggs in whatever colour you please. Allow the painted eggs to dry completely.

Step 3: Delicately place X-Press It Metal Leaf onto the area where you have applied the Gold Size. (You can use tweezers or your fingers to do this). Once covered with Metal Leaf, use a clean, soft brush to dust off the excess leaf softly.

Step 2: Using a clean paint brush, apply a thin layer of X-Press It Gold Size on the areas you want to cover with the Metal Leaf. Allow the Gold Size to dry for 15 minutes or until it becomes tacky.

Step 4: Use these eggs to decorate your house during Easter.
