

# PROJECT SHEET

## X-Press It®

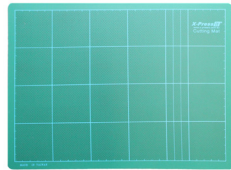

### STENCIL SHEET & SPRAY PAINT CANVAS

## STEP BY STEP

### WHAT YOU'LL NEED

- X-Press It Canvas
- X-Press It Stencil Sheets
- X-Press It Cutting Mat
- Spray Paints
- Pencil
- Gloves
- Cutting Blade

**Step 1:** Spray paint a thin and even coat of colour on your X-Press It Canvas. Set aside to allow spray paint to dry completely.

**Step 4:** Using a different colour spray paint, spray over your stencil design.

**Step 2:** Use your pencil to draw your design on the X-Press It Stencil Sheet. Once the drawn design is complete, use your cutting blade cut out your design on your X-Press It Cutting Mat.

**Step 5:** Once the spray paint is completely dry. Peel of the stencil sheet.

**Step 3:** Carefully peel the release liner from the X-Press It Stencil Sheet. Place your cut out stencil sheet design on the spray painted canvas. Insure it is firmly placed on the canvas.

**Step 6:** Your spray paint canvas is now ready to be gifted or placed up for display.
